APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions: This permit is issued subject to all prior rights on the source. It is understood that the One (1.0) cubic foot of water per second herein granted is only a temporary allowance and that the final water right obtained under this permit will be dependent upon the amount of water actually placed to a beneficial use.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed One (1.0) cubic foot per second.

Actual construction work shall begin on or before December 12, 1942

Proof of commencement of work shall be filed before January 12, 1943

Work must be prosecuted with reasonable diligence and be completed on or before December 12, 1944

Proof of completion of work shall be filed before January 12, 1945

Application of water to beneficial use shall be made on or before

December 12, 1945 Proof of the application of water to beneficial

use must be filed with State Engineer on or before January 12, 1946

Map Filed APR 21 1941

Proof of commencement of work filed JAN 29 1943 WITNESS MY HAND AND SEAL this 12th day

Withdrawn by applicant JUN 23 1943 of June, 1942
